

## Puritans.

- crossed to Massachusetts and became known as the "Great Migration"
- became independent from England.

In the 1700s Massachusetts ~~prospered~~ prospered again and established itself as one of the wealthiest English colonies in America

## Algonquins.

- had conflict with MB colony
- believed that they were simply sharing land (fell into a European trap)

## England

- underwent a protestant reformation
- deteriorated during the the 1620s
- Puritans planned to find another Refuge in America
- established the Massachusetts bay company in 1629

# MASSACHUSETTS

## The Pilgrims

- Sailed for America from Plymouth, England and boarded the "Mayflower"
- reached Massachusetts in December 1620
- established a settlement called Plymouth
- remained small and independent colony until united with MB colony in 1691.

(MB = Massachusetts Bay)
