

The Natives were hit with smallpox which contributed to the settlers gaining more of the natives land.

Did not believe that they gave up ^{their} land
Natives believed that they were just sharing the land with the settlers

Within 15 years 20 000 puritan colonists crossed to Massachusetts to escape religious persecution in England

Led by John Winthrop in 1630

Also founded the town of Boston

The Great Migration

MASSACHUSETTS

Plymouth

Founded by Pilgrims (also known as puritans)

The pilgrims suffered from harsh winters and disease killing half of the settlers.

How they survived

Like ~~the~~ James town. the colony survived only with the aid of the Algonquin Peoples

They did not make a profit from the Virginia Company

It eventually became economically self-sufficient
